TASTING NOTES

This vintage offers bright red color and lures you in with its signature Coeur de Terre earthy aromatics, dried herbs followed by notes of cherry and raspberry. It shows nice structure with fine tannins and round mouth feel.

ABOUT THE WINEMAKER

Coeur de Terre was founded in 1998 in Oregon's Willamette Valley with the vision of crafting expressive Pinot Noir while creating a thriving family environment. Drawn to a secluded site with exceptional potential, the founders carefully studied the land and soils before establishing the estate, which has since been farmed organically in harmony with nature.
