

LES CLIMATS
Wine & Spirit Imports, Inc.

Château Macquin

AOC Saint Georges - Saint Emilion

COUNTRY

France

VARIETAL

80% Merlot
10% Cabernet Sauvignon
10% Cabernet Franc

SOIL TYPE

Clay and calcareous soils

VINEYARD

31 hectares of vineyards, predominantly planted with Merlot

HARVEST

Grapes harvested by machine & sorted on a sorting table before put in the tank for a long maceration.

VINIFICATION

Fermented in stainless steel and thermo-regulated vats, and aged in 1/3 in oak barrels over 12 months, using 25% new oak.

TASTING NOTES

Garnet-red color. Intense nose with ripe red fruits lightly woody. In the mouth, fresh and rich, mellowed tannins with great intensity.

ABOUT THE WINEMAKER

Less than 200 ha, the appellation Saint Georges-Saint Emilion is the smallest appellation close to the Saint Emilion appellation. Château Macquin was created by Albert Macquin, first agronomic engineer to plant again after the phylloxera of the late 19th century. It is a 31 ha vineyard, mainly merlot planted, giving strong wines, generous, almost as famous as Saint Emilion wines.
