### ABOUT THE WINEMAKER

Now in its ninth generation under the leadership of Coralie, Domaine de Galévan is the first to be guided by a woman in the family's long history. Located in Courthézon, the estate spans 60 hectares farmed organically, with vineyards across Châteauneuf-du-Pape, Côtes du Rhône Villages, Côtes du Rhône, and Vin de Pays. Representing all the great Rhône grape varieties, the domaine combines tradition and creativity to craft wines that reflect both balance and character.
