HARVEST

Manual harvested & sorted

VINIFICATION

Whole cluster press

Barrel fermented neutral oak

Aged 18 months in barrel Some stirring of the lees

5650 Bottles

TASTING NOTES

Beautiful golden yellow, bright and shiny rims. The initial bouquet reveals soft spicy notes of cinnamon and nutmeg, enveloped in intense aromas of almond paste, peach, pear, bean and turpentine. Rich, structured palate with a surprising freshness. The round and soft finish gives a stunning balance to this wine.

ABOUT THE WINEMAKER

Founded in 1921 by Gaston Dorléans, the Domaine covers today 26 hectares of vineyards located on the best hillsides of the commune of Rochecorbon, in the heart of the Loire Valley, in France. They work with the unique and emblematic grape variety of Vouvray, Chenin blanc. Frédéric and his son Benjamin, third and fourth generation winegrowers, strive to perpetuate the traditional spirit and the quality of their Vouvray wines with a strong personality.
