TASTING NOTES

Shimmering ruby color, the nose exhales powerful aromas of red and black fruits, accompanied by notes of spices. On the palate, the fruit is bright, energetic with a complex and rich texture, and a beautiful minerality. The structured tannins bring the right balance to this distinguished wine.

ABOUT THE WINEMAKER

Coming from a line of winegrowers from father to son since the 17th century, Domaine Georges Glantenay, located in Volnay in Côte-d'Or, Burgundy, is a family winery born from the sharing of the estate of Pierre Glantenay in 1893. After his son Georges then his grandson Pierre, it is now the fourth generation who is at the head of the estate, represented by Guillume and Sarah, brother and sister.
