TASTING NOTES

Poppy is a typical “quench wine” or “bistro wine” in France. The nose has a nice bouquet of floral, fruity and grapy notes. On the palate, the wine is round, so and fruity, very easy to drink with a well-balanced acidity.

ABOUT THE WINEMAKER

In 2011, Yohan Lardy came back to his native village of Fleurie after spending almost one year in Chile working for an estate during harvest and winemaking. Yohan is completely passionate by winemaking. “After several journeys around the world, I came back to my origins. Through my everyday work, I am trying to work in respect and harmony with nature in order to reflect in my wines a pure and authentique expression of my terroirs.”
